Meeting called to order at 7:05.

Around the table discussion ensued re ideas for getting e-mails addresses for the upcoming e-newsletter

Steele presented an overview of the initial contents of the letter—minus the renewal application form

Decided the newsletter will contain the e-mail address of Huizer (membership coordinator—william.huizer @dsbn.org)
School's phone number will not be included.

Some amendments made to President's Remarks in newsletter to include information about our monthly meetings.

Gale reported a chronic need to for group to add submissions to update information on collegiatereunion.com

Further minor changes were made to the membership application which will be part of the new newsletter.

Gale reported that we are approaching a "drop-dead" date to decide on a 90th reunion in the Spring of 2013.

School liason---for the third straight month, no applications were submitted for funds from any staff.

Treasurer's Report: Leach reported that little had changed from the previous October report. Total of all assets is \$15,197.

Huizer brought info on behalf of principal stating that the school had a very successful teacher –talent show.

Also an update on the work of the ARC committee regarding school closures, generally outlining all the options. Final decision to be made in April 2012.

Huizer also reported the retired teachers social will be held in , and hosted by the co-op department on Wed. Dec. 21st.

Brent Nickel gave a report on the very active robotics team which is moving forward. Currently C.I.'s two team stand #3 and #12 out of about 5,000 similar teams in the world.

Next meeting scheduled for Monday Jan 16, 2012 in the Alumni room

Meeting adjourned at 8:12 p.m.
